Tim told John that we are in the process of looking into getting lights and cameras at the launch. Once those are in place, the table will be replaced. John spoke of his appreciation of Music in the Park. Terry Everetts, Robert Jones and Dwight Everetts had concerns and questions regarding how the Solar Farm/PILOT will affect the tax base, as well as Olean Wholesale closing. The Town Board assured them that the tax base remains the same. They also had concerns regarding training for the firemen who may in the future need to go to the Solar Farm on a call and would like to talk with a representative from Borrego to contact them to answer their questions.
