Two modules are in violation with DEC and need to be corrected by November 30, 2019. The DPW employees replaced a hydrant on temple street this month and will be doing Fibercell next.

**Old & New Business:**

The Village employees completed their sexual harassment training for the year and received their certification.

John Crist and Joe Mclarny came to an agreement there would be no Christmas house this year but will a Christmas lighting ceremony as there has always been.

There was discussion about the USPS parking lot. Some feel its unnecessary to make specific parking for employees as handicap can't be placed by buildings.

The village DPW ordered handicap parking signed for the park just waiting on those so they can be set.

The discussion about eh gazebo rate was brought up again. The cost if a nonrefundable \$150.00 fee now.

The village court did well this month. The increase in pay sure helped our officers with that extra boost of motivation 😊 . **take this out !**

Fire tax will be going up so the discussion for a new firetruck was mentioned. Along with fundraising ideas as New York Governor is saying no to gun raffles.
